

Calloway's Timely Tip for October

Did you know that fall is one of the best times to plant trees, shrubs and perennials? Nursery stock planted now allows for roots to settle in and become established. When spring arrives, this root system can support and take full advantage of the surge of new growth. Fresh nursery stock is arriving daily so, stop by and take advantage of the selection available and this wonderful time of the year to work outdoors!

Once again, we have received heirloom bulbs from The Southern Bulb Company. Chris Wiesinger, aka "The Bulb Hunter," searches the Texas countryside to gather and preserve the "lost and forgotten" varieties; he then propagates and reintroduces them back to the home gardener. Our collection of Fall bulbs (plant these now for Spring blooms) include, the Red Spider Lily, 'Gold Dawn' Narcissus and 'Snowflake' Leucojum. These varieties, in addition to several others available, are full-sized bulbs and are grown from historic stock. We will also be receiving Tulip bulbs which are suited for Texas gardens-they require no refrigeration or digging up each year!
